Our fee for the basic services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family and responsible parties; arrangement of service/tribute including preparation and filing of necessary authorizations and permits, recording vital statistics, preparation and placement of obituary notice and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, vault companies and others as required. PREPARATION OF DECEASED

EMBALMING.....\$475

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. Texas law does not require embalming. However, it is the policy of ACREMATION.COM that any human remains that has not been embalmed may not be viewed under any circumstance, unless such viewing is required for the purpose of positive identification. Further it is the funeral home's policy that no unembalmed body is dressed prior to placement in a casket or other burial container in clothing other than which death occurred. If embalming is declined solely due to financial hardship, please discuss this with our staff and we will present any appropriate options available.)

The State Registrar's Office of Texas has initiated a new electronic death registration system, which is currently used by medical certifiers on a voluntary basis. When a death certificate is initiated in the electronic system by a Medical Examiner, and the initial cause of death is "pending," the initial certified copy of the death certificate may not be accepted for use in filing a death claim by your insurance provider. Regrettably, the initial cost for the first copy (when ordering multiple copies) will be charged when the death certificate is filed and again when the amended death certificate certified copies are ordered. Even if you are not filing a death claim with an insurance provider, state law requires the funeral home to file the original death certificate within ten days of the date of death regardless of the cause of death, or its' "pending" status.
